

NOTICE: AUTOMOBILE ACCIDENT PATIENTS

EFFECTIVE JULY 1, 2013

If you have been in an automobile accident, Virginia law states that we must bill your health insurance first. If you do not provide information necessary to verify your health insurance coverage, do not have health insurance, or your healthcare provider is not in your health insurer's provider network, your healthcare provider may bill its full charges to your automobile insurance.

- I elect Sport and Spine Rehab / Kaizo Health to bill my Med Pay Carrier directly. I currently do not have any healthcare insurance, or will not be providing any healthcare insurance information to bill for my services related to my automobile accident. I also understand that any services not covered by my Med Pay carrier are my financial responsibility.
